Dear Parent and Guardians:

Re: BCTF Strike on Tuesday, May 27, 2014

We want to inform parents that classes will not be in session on Tuesday, May 27, 2014 as a result of teachers being on strike. Picket lines will be up at NSMS during instructional time, but will be taken down in time for Panorama Leisure Centre to run it's evening programs. School administration is required to be in the building during school hours.

The school district and school website will continue to provide you with updates on the BCTF actions and we will continue to send you emails when it affects our regular school routines.

We hope that the two sides will come to a solution very quickly and that we can return to regular school routines.

Sincerely,
