P.O. Box 2124 Sidney, B.C. V8L 3S8

September 2018

Dear Parent or Guardian

The Sidney Lion's Club will, for the 14th consecutive year, sponsor our "Eyeglasses for Children" program. This program is designed to promote vision health for children by encouraging vision checkups and providing basic eyeglasses when needed. Since 2004, we have provided over 600 pairs of eyeglasses to youth in the North Saanich and Sidney area.

### WHO IS ELIGIBLE

1.	All youth attending kindergarten through grade 8:
	a) who are enrolled in one of the following schools; Deep Cove Elementary, Kelset Elementary, Sidney Elementary, North Saanich Middle School; <u>or</u>
	b) who attend a different school but whose parents reside in the Sidney or North Saanich area.
2.	All Home-School students up to grade 8 whose parents reside in Sidney or North Saanich, and
3.	Children attending pre-school or day care in Sidney or North Saanich.

### How does the eyeglass program work?

1. Have your child's eyes checked by an Optometrist. There is no charge for this as it is covered by your Medical Services Plan.
2. If eyeglasses are recommended, take the prescription and this letter to any of the Optometrist listed below. They will provide the correct eyeglasses, and the Sidney Lion's will cover the cost of single lenses with a choice of standard frames up to \$140.00 or, if bifocal or progressive lenses are required, up to \$155.00. When the eyeglasses are delivered, the Optometrist will forward an invoice to the Lion's club for payment. If more expensive frames than standard are chosen, the Parent or Guardian will be responsible for the difference.
